PRESIDENT VLADIMIR PUTIN
RUSSIAN FEDERATION
103132 Moscow Ilyinka Street 23/16
Russia

Dear Mr. President Vladimir Putin,

This letter is a matter of extreme urgency. Mr. President you should not start a War with the USA. Your Country will be devastated and many people will be lost. Your own soul will be in jeopardy.

As a brother in Christ, I tell you that God is warning you now. I have also sent God's warning to President Trump of the USA.

May God Bless you and your Country and may it be delivered from the evil of War.

Peter II (The Angel of Divine Love)
