PRESIDENT DONALD TRUMP

1600 Pennsylvania Avenue NW Washington, DC 20500 USA

AN URGENT REQUEST MADE TO THE PRESIDENT

My Beloved Mr, President, Donald Trump,

Greetings!

I have a special Message for you and you need to act upon it now. The world is heading for a Great Chastisement and you need to do what you need to do there. Think now. Bring all your Military and warships back to the United States. Do not delay, as your country and you, will be invaded in a couple of months by Russia. You will have War and many, many people will die. Europe will be invaded and England, France, Germany -- and many countries. China will turn on Russia. The USA. will be invaded through countless submarines, hitting California and Texas. Please prepare your people. A Dust Storm will hit the world, very soon and an Asteroid will hit the Caribbean Islands and the East Coastline of America.

Sorry Mr. President, you are wasting money rebuilding that Ballroom of the White House. You will need all that you have for the War. Forget protecting the world, because the USA. will need you. Please remove all of the Warships around the world and bring them back to the United States. Reduce the tariffs that you have placed upon the world - - reduce it to 5%. Pray for Australia, because we are being prepared for an invasion, also.

My prayers remain with you and I ask God's Blessing on you. I remain your friend, but God's first.

The Angel of Divine Love

Peter II
